

Gear Inventory

Privacy Policy and Terms of Use

The Gear Inventory App stores all data on your device.

HelioByte does not collect any information without your permission.

HelioByte does not share your data with any third party entities.

If you Delete All Data in the Settings tab, all App Data is deleted from your device. Please be careful with this option, as there is no way to recover your data once it is deleted.

If you remove or uninstall the App from your phone, all inventory data will be deleted as well.

Use Gear Inventory App at your own risk. We are not liable for any financial decisions you make based on the app. We are also not responsible for your data and do not provide any warranties.
